

# Begin to Get Ready for Escambia County's Great Agricultural Fair

*Escambia County is to have an Agricultural Fair in October that promises to eclipse all other enterprises of the kind ever attempted here.*

*Every business man in Pensacola, every farmer in Escambia County, and every citizen of either the city or county is interested directly or indirectly in the success of this Fair.*

Lying back of Pensacola is some of the finest farm and truck-garden land on the Gulf Coast. This land contains more potential riches for the citizen of Escambia County than all of the timber ever grown on it since the world began.

The Escambia County Fair will demonstrate what those riches are and will help to demonstrate how they can be increased.

*We hope everyone will begin now to prepare for the Fair and to help make it what it is going to be—the best in the history of the West Florida Gulf Coast section.*
